

WHAT KIND OF READING VOLCANO ARE YOU?

ERUPTING

- Loves an author, series, topic, genre, form, etc!
- Can't get enough! Can't stop talking about it!
- Not sustainable forever. Eventually will go back into the "active" category, visiting the "erupting" category more and more often.

ACTIVE

- Often reads during free time.
- Knows what types of books they enjoy, and looks forward to reading
- This is where we "live" as readers most of the time, but we visit the "erupting" category as often as possible.

DORMANT

- Sometimes reads when prompted.
- Might remember when reading was fun and enjoyable, but it's been a while.
- Untapped reading potential is there, and they will become "active" when they find the right book.
